There were 12 applications submitted; one application for a stand-alone Provisioning Center, eight applications for Campus Style Facilities, and three applications submitted for Grow and Processing Facilities. The Board of Trustees continue to believe that the Campus Style Facilities are the best investment for Lenox Township; recommendations have been based on that premise. Based on the reviews from the various entities, he recommended the following:

Lenox Retail Development, 19-06-14-400-017, Campus Style- Provisioning, Processing, Grow

In addition, three applications were submitted for only Processing and Grow Facilities. He recommended approval of these, subject to the applicant submitting an application and the appropriate fees, adding a Provisioning Center on the same property. He recommended the following:

Le Battle Creek, Inc., 19-06-27-200-001
