 Zoning Ordinance (As Amended July 2011).....

INTRODUCTION

The Lenox Township Book of Ordinances has been assembled to include all currently adopted Ordinances with the Township of Lenox. The Ordinances, in some cases, may have been edited or renumbered to match the format of the book, however, in no case has the intent of any Ordinance, or part thereof, been deliberately modified or skewed.

The Book of Ordinances includes a standardized language for adopting new ordinances, as well as a format for adopting ordinance amendments. Variations from the format do not negate the legitimacy of new ordinances or amendments; however, for consistency purposes, the formatting provisions provide a recognizable product of Lenox Township.
